NWN2 Expansion - Mask of the Betrayer (MotB)

NWN2 Expansion - Storm of Zehir (SoZ)

XP2 Storm of Zehir and XP1 Mask of the Betrayer content is now being used throughout the PW, and are required to play.

The expansions add creatures, weapons, and placeable models, as well as spells, feats, textures, classes, races, and more to the game. Their single player modules are also well worth their cost.

See you online and have fun!
